### Salina Downtown, Inc. is pleased to welcome Assurance Partners back to the downtown neighborhood.

Assurance Partners is in the final stages of renovating the former Phoenix hotel site at the corner of Iron and Fifth Streets. "We have been delighted to watch the transformation of a formerly blighted site into Assurance Partners' beautiful corporate office," said Melissa Hodges, executive director of Salina Downtown, Inc. "Having a new landmark building marking one of our downtown gateways is just wonderful. And having a successful local business choose to make a sizable investment in the heart of our community sets a great precedent for other local businesses to follow."

Assurance Partners will be in their new home at 201 East Iron within a month and will have a projected thirty-five employees at this location. They also have a branch office in Wichita as well as three in Colorado, with plans to open an additional branch office in the Denver area this year.

The new building renovation consists of two stories of office space – including multiple executive offices, professional board room, multi-purpose room, break room, lobby area with two-story window panels, back patio, and plenty of space to park on the east side of the building.

"Assurance Partners originated in downtown Salina over forty years ago and we are eager to re-establish our roots in the Downtown Business District. We are committed to serve the Salina community and are excited to have the support of the city of Salina, the Salina Area Chamber of Commerce and Salina Downtown, Inc. in our renovation of this location," said Michael Freeland, marketing coordinator at Assurance Partners. "We can't wait to open soon and show everyone around our new home!"

Assurance Partners' services include auto and homeowner's insurance, renter's insurance, life insurance, and business insurance – including risk management services, workers compensation, professional liability, property coverage, surety bonds, and much more. They are one of the largest providers of risk management and risk transfer techniques in the Midwest

# Take 5

**Meet Chamber Member Rebecca Smith, owner of Rebecca Jane's,** as you read

excerpts from our 5-minute/5-question interview.

**What is it about your business that is unique or special?**

*What sets my business apart from most businesses downtown is the fact that almost all merchandise at Rebecca Jane's is either handmade, (fine-art, pottery, jewelry, candles, cupcakes, farmer's market) recycled, (antiques, flea market finds, vintage notions, clothing) upcycled, (jewelry, furniture, lighting) or salvaged (windows, doors, hardware, architectural details). Rebecca Jane's also provides "Scribbles and Drips Art Classes and Art Parties". See the entire interview, and others, posted at [www.salinakansas.org/chamber/take\\_5.aspx](http://www.salinakansas.org/chamber/take_5.aspx)*

## Ambassador of the Month

Linnea King

Linnea King, account executive with Salina Media Group, has been named "Ambassador of the Month" for April. She received the honor by securing three new members

during the month. She has a total of 10 new members for the year.

Linnea is in her fourth year as an Ambassador. "Linnea just does a great job securing new members for the Chamber," stated Pat Foster, Chairman of the Ambassadors. "She loves making new contacts and telling the Chamber story. She is a great leader on our team, and a good role model for the other Ambassadors. I'm glad we could recognize her this way."

For her efforts, Linnea will receive a \$25 Smoky Hill Silver Gift Certificate. Congratulations Linnea!

# NJCAA – one more year...

Despite disappointment that the NJCAA chose to award the 2016-2018 contract for their Div. I Women's Basketball National Championship to Lubbock, TX, the Salina Basketball Task Force is concentrating on the positive. Salina WILL host the NJCAA Women's Basketball National Championship one more year.

"Certainly this is not the outcome we'd hoped for," stated Tiffany Benien, Sports & Special Events Manager for the Chamber, and the Tournament Director for the event the past 17 years. "The Chamber, the Bicentennial Center, the business community and our dedicated volunteers – 250 strong – have supported this event whole-heartedly. Although disappointed, we are extremely proud of the job we've done and of the proposal we submitted for the contract extension. We've run a quality tournament since the '97-'98 season, and believe that experience and Salina's hospitality to the teams, fans, media and recruiting coaches will be immensely difficult to match. We look forward to continuing that legacy when we host the event in March 2015. Our staff, partners, local business sponsors, hospitality industry, and community volunteers will continue to support the tournament as we complete our current contract. It has been a great pleasure to work with the NJCAA, and we welcome the opportunity to continue that relationship as other opportunities arise."

The National Championship will be held at the Salina Bicentennial Center March 16-21, 2015.

## KSHSAA 4A State Baseball and Softball

Visit Salina is pleased to host the KSHSAA 4A Division I State Baseball and Softball Tournaments May 29-30. A total of 16 teams will arrive in Salina for the event over Thursday and Friday. Baseball will be played at Dean Evans Stadium, while softball will be played at Bill Burke Park.

Eight teams will compete at each tournament. Baseball will begin on Thursday with games scheduled at 11am, 1:30, 4 and 6:30pm. Friday the semi-finals will play at 10am and 12:30pm, followed by the consolation game at 3pm and the Championship at 5:30pm. Softball will also begin on Thursday with two games at 5pm and two games at 7 pm. Two semi-final games will be played on Friday at 10am, with the consolation game at noon, and the Championship at 1pm.

"The KSHSAA 4A State tournaments are great for Salina", stated Tiffany Benien, Visit Salina Sports & Events Mgr. "Salina traditionally hosts the class 4A State events not only in Baseball & Softball but also Football, Volleyball, Wrestling and Basketball. All of these events bring great athletes, coaches, and fans that stay, shop, dine and experience Salina."

Visit Salina estimates that direct visitor spending for the tournaments will be \$287,000.

Volunteers will be needed to help sell tickets, t-shirts and programs, announce, score keep, replenish water coolers, and retrieve foul balls. If you would like to volunteer please contact Tiffany by phone (785) 827-9310 x 130 or e-mail [tbenien@salinakansas.org](mailto:tbenien@salinakansas.org)
